

Standard 10-2.3. Permissive authority to issue citations in all cases

Each law enforcement agency should promulgate regulations designed to increase the use of citations to the greatest degree consistent with public safety. Except when arrest or continued custody is necessary, the regulations should require such inquiry as is practicable into the accused's place and length of residence, family relationships, references, present and past employment, criminal record, and any other facts relevant to appearance in response to a citation.
