Montesano, WA - An arrest has been made stemming from the investigation of the fire-bombing of a home in Satsop. Grays Harbor County Undersheriff Rick Scott tells us the 37 year old Spanaway man said he was a bail bondsman when he went to the victim's trailer Thursday night.

Responders reported the home was in flames about 10 p.m. Thursday when Fire District 5 firefighters arrived. The

60 year old victim was taken to Community Hospital in Aberdeen with second-degree burns to his

face, head and hands.

Investigators have not verified the man is a bail bondsman, Scott said that he allegedly assaulted the 60 year old, then threw something into the home that caused it to ignite.
